Reference: C00422964, July Quarterly Report (4/1/07 - 6/30/07)

Dear Ms. Hough,

This letter is in response to your request for additional information regarding the above referenced report submitted by the Donna Edwards for Congress Campaign Committee. The inquiry specifically refers to what appears to be excessive contributions from two contributors: Patricia Bauman and John L. Bryant, Jr. Both contributors made contributions of \$2,300 each on 4/30/2007 and 6/18/2007. Each contributor also clearly indicated their intent to contribute \$2,300 toward the primary election and \$2,300 toward the general election on donor forms accompanying each contribution. Unfortunately, an error was made during data entry and the entire \$4,600 was mistakenly attributed to the primary election.

An amended report correcting this error is forthcoming. If you have additional questions regarding this matter, please do not hesitate to contact me.

Regards,

Janice Edwards, Treasurer
Donna Edwards for Congress
